## **Paul Dannels AIA, principal**

*M.S., Architecture, University of Michigan, 1987*  
*B.S., Architecture, University of Michigan, 1985*

Paul's clients value his ability to quickly grasp complex architectural design intentions and effectively render them in structural form. His construction experience brings to the office a high level of commitment to efficiency and constructability.

Paul's designs have been awarded a National Merit Award from the American Institute of Steel Construction in 2005 and a Citation in the 2003 Wood Design Awards recognizing work from throughout North America.
